**In-place article expansion**

#123 2024-05-23 Article on gut bacteria View Edit

Text on the article created using #Markdown and presented here as rendered to #HTML along with [hyperlinks](#) and bold and italics etc. If the text happens to be too long, present a scroll bar to the right after 4 lines. The search should also account for the text being present in the body text though not in the title, but give priority to titles which contain it.
